Issue 2 - 2018 **NEWSLETTER** Summer 2018

Published by: IA-Manchester - Charity No: 1039256. WEB site: www.ia-manchester.com

WELCOME MEMBERS - old and new - to this our summer issue of 2018 – a period which will see major changes both to IA Manchester and to The Association in general

Firstly, a word about our recent AGM held at Salford Royal Mayo Centre 12th May.

A small number of Members attended as well as partners and parents – and we thank them for their presence.

A full Agenda was followed which had been preceded by a number of Suppliers and Distributors with stands on show in the Foyer.

The Agenda covered upcoming important Issues affecting the Administration both of IA Manchester and Head Office IA Association as a whole; shortly when we will become a Branch Member; however, prior to that event – and you will receive further information in due course of our status; there is also the matter of the imminent concept of a new secure Database system being introduced by The Government – GDRP or General Database Protection Regulation 2018 on 25th May

Your Committee attended the National Council Annual Meeting in Ashford Kent recently and all members will receive in the forthcoming 2 Issues of the quarterly Journal – further information regarding the methods to be adopted to protect your rights regarding the way we manage and process your Personal Details.

May I thank you now for your patience and understanding as

**.....We look forward to change
Have a great holiday and Regards to All**

ON LINE PETITION.

By Natalie Toper, Natalie started the petition in October 2017 for Stoma signs to be added to disabled toilets, conditions are starting to improve slowly. An example is supermarket Sainsbury's promising to make its toilets more exclusive for their customers with stomas. Deadline for the petition was 12-4-2018. And needing 10,000 signatures for the Government to act on this matter.

The final result was, 10,493.

The Committee Welcomes
