

The ileostomy & internal pouch
Support Group

IA Manchester

Registered Charity 1039256

Becoming an 'ostomist' can be pretty daunting - we know because we have all been through the same experience. That is why IA Manchester decided to produce this introduction letter.

We are a group of over two hundred ostomists from all walks of life. We are local people of all ages, from teenagers to 'recycled teenagers'!

We meet frequently for talks, exhibitions, social events and, in addition, we hold regular fund raising events.

The aim of our group is to help and support each other as needed as well as making new friends and having fun - it's amazing how good it can be just to meet someone who really understands what you are experiencing.

For further information, please contact the honorary secretary:

A membership application form is attached but please remember: even if you decide you do not want to join our group at the moment, we are only a telephone call away.
